By signing below, I agree to the mission statement, objectives, and purposes of Breakthrough Project for Social Justice.

Mission Statement: The mission of Breakthrough Project for Social Justice is to foster a community free of bigotry, racism, and prejudice by honoring equality through communication, education, and advocacy for civic responsibility.

Objectives and Purposes: Breakthrough Project for Social Justice exists to foster a community that celebrates its diversity and works to promote racial equity by eliminating all forms of social oppression, racism, and bigotry. Breakthrough Project for Social Justice encourages communication, understanding, and cooperation among all community members. Breakthrough Project for Social Justice responds promptly to hate crimes and acts of intolerance, opposes all forms of social injustice, and offers educational programs to counter them. Breakthrough Project for Social Justice will:

1. Respond to hate crimes through coordination with Lodi city government and Lodi law enforcement in order to provide aid and support to victims of hate crimes.
2. Provide educational programs for the community, schools, and other institutions that promote tolerance, racial equity, and justice for all in the Lodi area.
3. Develop partnerships with other organizations that work peacefully to eliminate racism, bigotry, injustice, inequality, and racial inequity.
4. Assist organizations and individuals who work to right injustices through the legal system.
5. Advocate for legislation and policies that support social and racial justice at local, state, and federal levels.
6. Seek individual, corporate, and government funding for efforts to achieve the above activities.
